

**AUG 2007 ADDENDUM TO
THE GENTRY REMODELING PLAN
APRIL 16, 2007**

1. Replace the following sentence under 2. Siding and Trim , New Design;

The **remainder of the trim** is a vinyl coil, light beige in color called “**Sandstone Beige**” by Certainteed.

With

The **remainder of the trim and soffits** will be coil or vinyl, respectively, a light beige in color called “**Sandstone Beige**” by Certainteed.

2. Replace the following sentence under 3. SHEDS;

All trim will be removed from the shed T1-11 plywood and then covered with siding. The door will be trimmed with Certainteed Sandstone Beige lineals.

With

All trim (excepting a 3 inch roof fascia) will be removed from the shed T1-11 plywood. The fascia will be covered with Sandstone Beige coil and the siding will be covered with Cedar Impressions, Triple 5” Lineals, Savannah Wicker in color . All materials are by Certainteed. The door may be trimmed with Certainteed Sandstone Beige lineals or a 3” equivalent.

3. In Section 4. under DOORS add a third option, as follows:

Option 3. If you add the door pediments and pilasters, you may paint your main door and storm door the same color. The pediments and pilasters will be painted to match the trim with Benjamin Moore “Feather Down”.

4. In Table I. Colors for the Gentry, the number for Benjamin Moore paint color “Feather Down” is OC-6. Delete the number 2143-60, which is the number for Moonlight White. It was decided that Feather Down is a better match for Sandstone Beige.
