**RE: Parking Regulations**

Dear Gentry Resident(s):

A year after the new parking rules and regulations (April 12, 2005) went into effect; the Board finds that two changes need to be made in the Enforcement Section. Due to the towing company's policy, Items 3 and 4 have been revised to state the following:

3. Residents, whose numbered reserved space is occupied by an unauthorized vehicle, have a right to have said vehicle removed. They may call *the management company*, and give them the parking space number and description of the offending vehicle. The management company will then contact the tow company to initiate towing.

4. For other violations, the management company has the authority to have the vehicle towed *without prior notification*.

Italics emphasize the significant changes. Enclosed are the complete revised Parking Rules and Regulations. If you require any additional information, please contact me at 410.721.0777 ext. 137 or via email at [KWilson@procomgt.com](mailto:KWilson@procomgt.com). You may also attend the Board of Directors meeting, held on Tuesday the 18<sup>th</sup> at 6:30 at # 80.

Sincerely,

Kerrie Wilson, CMCA
